## TO WHOMSOEVER IT MAY CONCERN

This is to Certify that we are using Humidity – Temperature Indicator cum Controllers at different locations in our process plant for monitoring and control of the Humidity and Temperature, supplied by M/s. Infra Control systems.

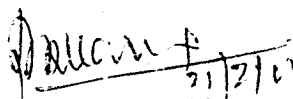

The party has also supplied us Multichannel, Portable Data Loggers, Dew Point Meters, Display Message Boards, RTD Sensors etc. All the products supplied by ICS are mainly used in process and found to be working satisfactorily without any problem. The performance of all equipment supplied so far is highly satisfactory.

They are also providing us the Calibration and Validation services for process Instruments. Their services are prompt and effective.

This Certificate is issued on request of ICS.

We wish them all success.
