This is to certify that Mr. Kalpesh Vaghela, CEO Infra Control Systems had imparted Training to Naprod Life Sciences and Mac Chem Employees on 12<sup>th</sup> and 13<sup>th</sup> Jan 2016.

The Training imparted on Various Subjects is as follows:

- Why Software Validation and Benefits of Software Validations
- Software Categories
- Role of FDA
- Basics of 21 CFR part 11 Compliance
- Advance 21 CFR part 11 Compliance
- GAMP5 Drivers
- Risk Assessment
- Annex 11
- Data Integrity
- Computer Systems Validation Deliverables
- Examination with questionnaires
- Maintaining the system in qualified state
- Software Development Lifecycle Module

The training was concise, to the point with practical example and helped us clear lot of doubts.

The trainer is energetic and we strongly recommend him for more such session.

The Trainer being the CEO of Software Validation Company, the training was current and practical.

Good luck to him and it was a pleasure having him as a trainer.
